

**Bridgewater Township Project Meeting**  
**County of Rice, State of Minnesota**  
**April 30, 2018**  
**Official Minutes**

Call to order – 1:00 pm

Pledge of Allegiance

Roll Call: Gary Ebling, Glen Castore, John Holden, Frances Boehning

Guests: Erica Zwiefel, Shane Symmank (Natural Systems Utilities), other guest

- Natural Systems Utilities.
  - Shane Symmank presented the capabilities of the Natural Systems Utilities
  - A suggestion was made by Shane that if the township were interested in using a NSU system, that an engineer would be needed to assist in the design. It was noted that Credit River has a part time engineer on staff.
  
- 115<sup>th</sup> Street/Central Pond.
  - Gary Ebling reviewed a recent meeting with Todd Piepho and Adam Parker regarding the DNR's concern about the ditch along 115<sup>th</sup> Street.
  - Per the DNR's request, a driveway will need to be removed from Seeds Farm and the ditch will need to be reshaped.
  - This reconstruction will happen in conjunction with Barnett Bros work on the Seeds Farm.
  - The work request stems from an error made during the initial construction of Central Pond. Errors were noticed in the initial plans, permitting, and surveying.
  
- Town Hall
  - The Supervisors approved a review of the existing exit from the shop as the current door may need to be replaced. If replacement is necessary, it was approved to fix/replace the door.
  - Touch up painting is needed on the exit doors to the hall and office. This was approved for this summer.

Adjourn
